About Altius Link, Inc.

Altius Link is a BPO service provider offering comprehensive solutions, including contact centers and back-office operations, to client companies. We have one of the largest networks in the industry – with over 100 locations in both Japan and the rest of the world - which we utilize together with the know-how, superior service, and technological capabilities made possible by our 58,000 diverse personnel.

Digital BPO combines high value-added services provided by human operators with the latest digital technologies to design CX for a new era. This allows us to provide even better communication experiences to customers while also helping our client companies to expand and develop their businesses.
